

Scrap Fabric Tree Ornament

Ingredients

- Fabric remnants
- Cinnamon sticks (6-inch or so)
- Yellow buttons
- Low-temperature glue gun or other glue that will adhere button to ornament
- Twine or ribbon
- Scissors

Instructions

1. Cut the fabric into 9" by $\frac{3}{4}$ " strips. You might need 13-15 strips.
2. Tie the fabric scraps onto the cinnamon stick with a square knot (tie right over left, then left over right).
3. Use the scissors to snip off stray threads.
4. Cut the fabric scraps into the shape of a Christmas tree.
5. Glue a yellow button or wooden star to the top of the Christmas tree.
6. Last, glue a loop of twine to the back of the ornament.
7. Your Scrap Fabric Tree Ornament is complete!
